In Tennessee's fair eastern mountains
Reared against the sky
Proudly stands our Alma Mater
As the years go by.

Forward ever be our watchword
Conquer and prevail
Hail, to thee our Alma Mater
Milligan, all hail!

Cherished by our sons and daughters
Memories sweet shall throng
Round our hearts, Alma Mater
As we sing this song.

Forward ever be our watchword
Conquer and prevail
Hail, to thee our Alma Mater
Milligan, all hail!

F O R E W O R D

This book is an honest attempt to portray Milligan College as it is today . . . it is an earnest effort to record, frankly, in word and in picture, the students, the life and the activities of this institution in the year 1947-48 . . . faithfully, without pretense or ostentation; accurately, without loss of perspective; informally, because that is the order of the day, we, the seniors of Milligan College, present this book to you.

It is with deepest sincerity and appreciation that we, the seniors of Milligan College, dedicate this volume of "The Buffalo" to our honored war dead . . . to those who worked, fought and died for those principals of democracy and freedom that make possible Christian Education in America. True to them, Milligan strives to inculcate the virtues of a Christian Character in all who come to her by demonstrating and practicing the principals and ideals for which the College was established.

THIS CAMPUS OF OURS

Setting against a natural background of rolling hills, our campus is a thing of beauty throughout the year. In Spring, Summer, Fall, or Winter there is inspiration to be found in the scenes offered by a stroll along the Buffalo, or among the groves of trees, or just in looking at our stately buildings as they rise against the sky.

CHURCH & ITS INFLUENCE

Our motto here at Milligan is "Christian Education, The Hope of the World", for it is our belief that by the daily living of a Christian life we can all become better men and women, and thereby better citizens of our nation and of the world.

POST OFFICE

The connecting link between home and Milligan, the Post Office is undoubtedly the most popular spot on our campus. It means many things to many people, to some it is the hustle of a distant city, to some it is life on a peaceful farm, and to others it means dreams of the future. And of course, it has a special place in the hearts of the GIs.

THE CAMPUS STORE

Famous for its "Spamburgers" the store rates tops as the social center of campus life. Whether it is breakfast for a late riser or a quiet "Coke" for two, a package of notebook paper, or a bar of soap you should have gotten a week ago when you started using your roommate's, you can be sure that this is the place to obtain it.

PRESIDENT AND MRS. VIRGIL L. ELLIOTT

The Elliotts came to our campus in 1944 and have brought us safely through the years of reconversion from a Navy V12 Unit to a peacetime liberal arts college. The love they have for Milligan is reflected in their message on the following page.

MILLIGAN COLLEGE, TENNESSEE

OFFICE OF THE PRESIDENT

May 1, 1948

Dear Students and Friends:

We are happy to have this opportunity to greet the students of Milligan and their friends through the Buffalo of 1948.

It has been a pleasure for us to serve the present student body as friends and counsellors of all who have come to us for help and guidance. We have been interested in each one of you students, eager to see you strive for excellence in every field of the planned program of a Christian liberal arts college, rejoicing with you in your victories and sharing with you the disappointments of your defeats.

It is our desire for each of you that your college experience will develop your characters in truthfulness and honesty, in dependability and faithfulness. It is our hope that your faith in God will have been deepened through your Milligan days, and that your consideration for others will be developed as true sportsmen, not asking rules for the game of life which you are not willing to give to others.

As an added word to you who are graduating, may we give this challenge: BE COURAGEOUS AND LIVE HONORABLY, AND LIFE'S ISSUES WILL BE MET SUCCESSFULLY.

Most sincerely,

Geneva Tarr Elliott

VICE-PRESIDENT STEPHEN B. LACEY

A graduate of Milligan, Mr. Lacey joined our staff in 1932 and has since that time worked faithfully for the improvement of our school. He is at present, and to our deep regret, on leave of absence due to ill health.

ACADEMIC DEAN
ASA F. COCKRANE

Dean Cockrane, better known on the campus as "Prof", has been fathering students through Milligan since 1920. Professor of Biology these many years, he took over his present job this past fall.

DEAN OF WOMEN
MILDRED WELSHIMER

New to Milligan this year, Miss Welshimer has already won our hearts with her pleasant smile and kind understanding. It is our hope that she, too, will become a permanent member of the "Milligan family."

**BUSINESS MANAGER
AND TREASURER**

J. GOFF LONG

Mr. Long arrived at our Alma Mater in 1937, and as "holder of the purse strings" he is one of the first acquaintances we make on entering Milligan.

REGISTRAR

EDWARD G. LODTER

While not busy keeping our academic records you will find Mr. Lodter teaching Modern Language, the job that brought him to Milligan in 1931.

MILLIGAN FOOTBALL

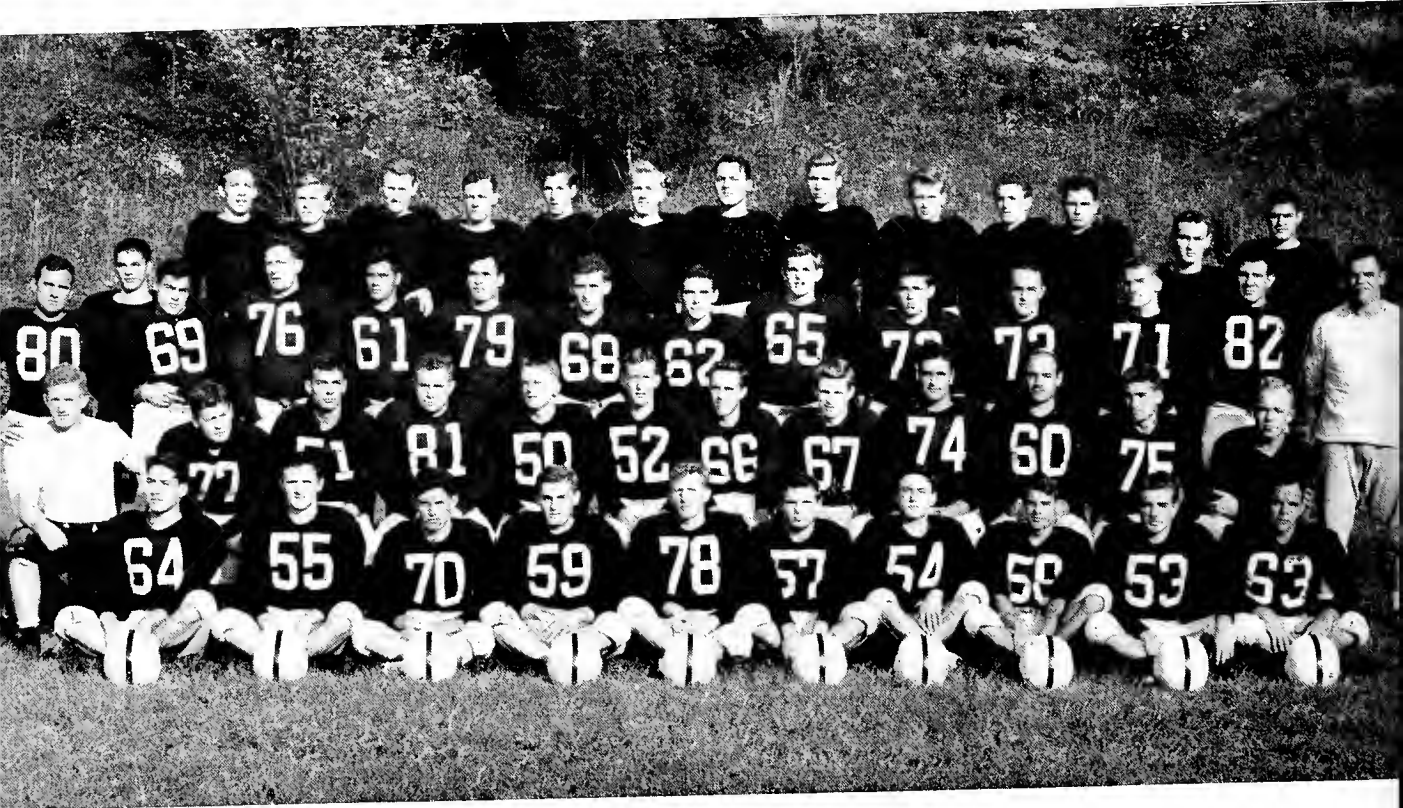

Coach Yancey, former athlete at Jacksonville, Alabama State Teachers and later at Auburn, is in his first season at Milligan, having coached at Pataka High School (Florida) and Kingsport High School before coming here. As can be seen by the football and basketball records, he has helped to put Milligan College Athletics back on the map and on a more solid foundation.

Coach Yancey was ably supported by his coaching assistants, Coach S. W. Rice, Frank Spraker and Bill Showalter. To Coach Yancey and his staff we are looking forward to a great team to fight through an even tougher season in 1948.

Games In Review

In the season's opening game the Thundering Herd came face to face with its 1946 Burley Bowl opponent, the highly rated roaring Lions of Southeastern Louisiana College from Hammond, La. and fought them in a drizzling rain to a 6-6 deadlock. The Buffaloes won a moral victory by redeeming the 1945 Burley Bowl 21-13 defeat and ending the untied and undefeated record of the Southeastern team.

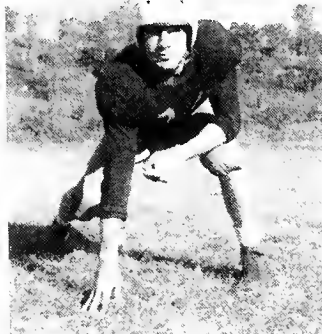

Lynn Goddard kept the Lions on their haunches with his long distance punts in the second half and the Buff linemen dug in to keep the goal line protected.

The Herd came back the following week with a hard-gought victory over the Wasps of Emory & Henry. The stinger was removed cautiously, the Buffs coming out with a 19-7 victory.

Traveling to High Point, N. C. the Buffaloes were furiously attacked by the local Panthers and came scampering home with a 14-6 defeat. Sonny Hale returned a punt 65 yards to score the Herd's lone touchdown.

Playing host in Kingsport to the Blue Raiders of Middle Tennessee Teachers, the pounding herd was slowed to a walk and found itself on the short end of a 7-0 struggle. The heavier Radiers displayed a powerful team with superior speed and deception.

Still Burning from the branding by the Blue Raiders, the Buffaloes stampeded the Tusculum College Pioneers 40-0 in the Pioneers' own front yard. Displaying for the first time a brilliant offensive attack, the Herd led all the way in all statistical divisions.

The next "dope-bucket" which overturned came when the Catamounts of Western Carolina Teachers attacked the Buffaloes at Elizabethton on October 18. After being held scoreless for the first half, the Buffs came thundering back to win 19-0. Lynn Goddard's magnificent punting kept the "Cats" deep in their own territory. Claude Hosclaw paced the scoring attack, heaving two touchdown passes and also scoring from the one yard line for the other touchdown.

On October 25 the Buffs came face to face with the Stetson University Hatters at Delond Florida. Before a large crowd of surprised spectators they pounded the heavy Hatters and within the last 5 minutes of play, come from behind a 13-7 score to tie at 13-13 and went on to victory 20-13. Again it was Goddard who surprised the opponent's safety men with his long kicks. Hosclaw threw touchdown passes to "Lefty" Bowers and Bill Kinsey for the first two touchdowns and John Manning climaxed the scoring with a last minute pass interception in midfield and behind well timed blockig, and in front of desparote Stetson University tacklers dashed 50 yards down the sideline to score the winning touchdown.

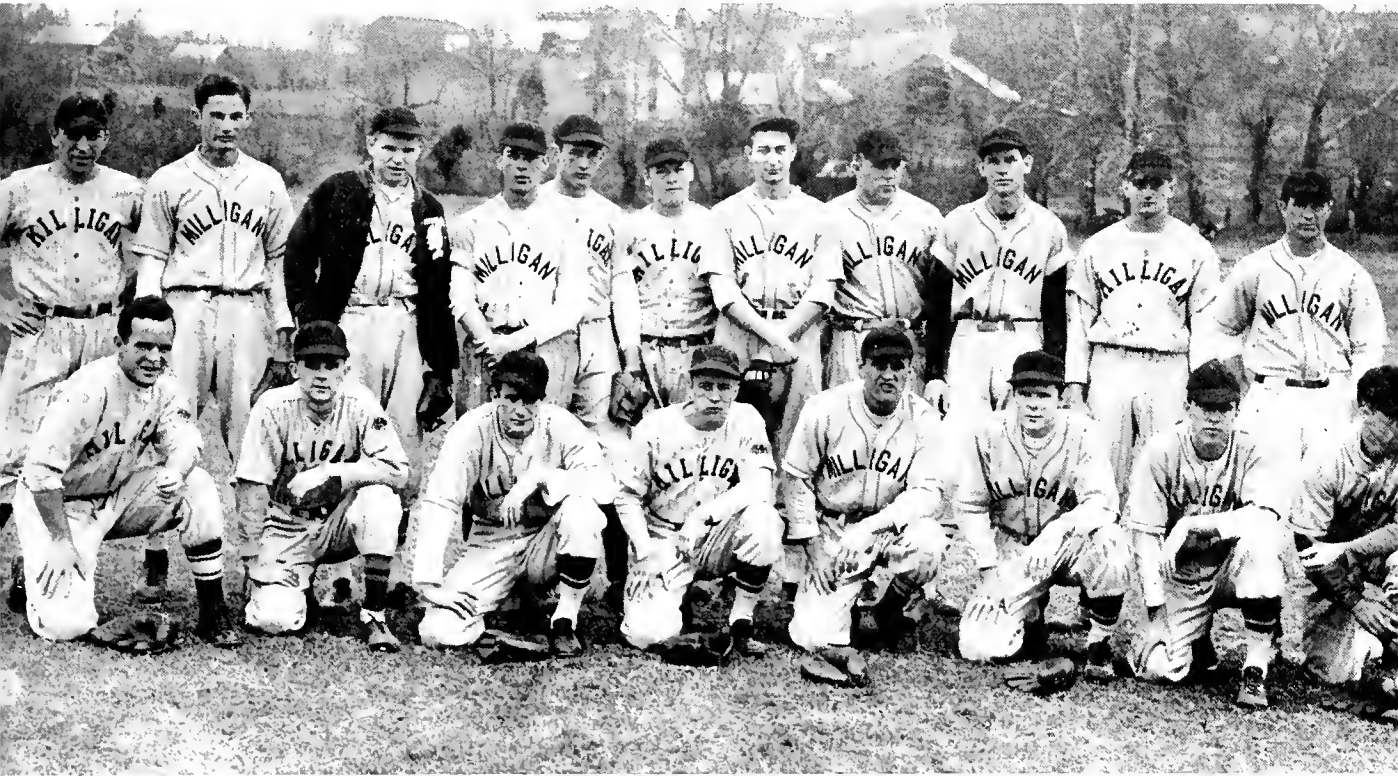

On November 1 the Buffs tangled with the high-flying Carson-Newman Eagles in Jefferson City. From the statistical standpoint the Herd won another victory, gaining 272 yards to the Eagles' 85; and 17 first downs to 5 for C.N. Milligan fumbled the opening kick-off and the Eagles recovered on the Buff 2 yard line and scored the following play. From midfield on the first play of the second half the Eagles passed for their final touchdown. Trailing 12 to 0 late in the third quarter the Buffs recovered a fumble on the Eagle 15. After advancing the ball to the 10 the Buffs scored on a pass from Hoisclaw to Dugger in the end zone. The Herd's line played superb ball, Co-Captain Fine, Harmon and Caldwell doing great defensive work.

Before a homecoming crowd at Johnson City on November 8 the Buffs turned back a fighting Tennessee Wesleyan eleven 13-6. Midway in the first quarter the Buffs scored after Harkleroad blocked a kick on the Bulldog 44. In the fourth quarter following a Bulldog TD from a blocked punt the Herd came back and scored 5 plays later, Manning, Dugger, and Hale alternating the ball carrying behind the Buff line.

In the final tilt of the regular season the Buffs were dealt a stinging 27-0 setback by the mighty Applachian Mountaineers who were bent on revenge for a 6-0 beating at the hands of Milligan last season. In a sea of mud the heavier Mountaineers with their fleet-footed backs drove to 4 touchdowns while the Buff passing attack was almost at a standstill.

Under the leadership of Charlie "Bud-Bud" Akard the 1946-47 baseball team made a record to be proud of. The pitching staff which included Lynn Goddard, Claude Holsclaw, and Carl Gouge did a fine job of swishing opposing batters, winning nine and losing three.

THE RECORD

A quick glance at the scores of this 36 game season makes it seem unnecessary to comment further on such a performance as this. Much of the praise must go to Coach Yancey for his continually pressing and urging the team on to greater heights.

In a team made up of several highscoring men there was constantly shown a high degree of teamwork and is illustrated by the season's total points, 2,302, which does not include tournament scores. Leading this scoring spree was Kenny Hyder, 469 points; Sid Hathaway, 343; Kyle Middleton, 340; Paul Griz, 324; Carl Gouge, 279; Carl Shepherd, 208.

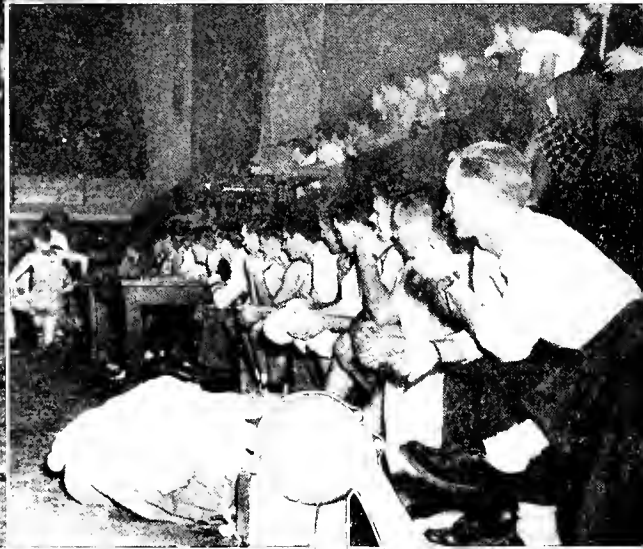

In the following three years of basketball, Milligan fans should see an equally superb team from such standouts as Hyder, Hathaway, and Middleton. There should still be a lot of good basketball ability displayed in the work of captains Shepherd and Griz and also of Gouge and Elliot. Matherly and Walker were the only seniors on the squad. With the work of this season's standouts and the competition of Coach Spraker's "B" squad keeping the spirit high, the immediate future of basketball at Milligan really looks bright.

TRACK

Second Row: Balser, Cross, Mullins, Wright, Semmler, Suttle, Elliott, D'Agata, Walker, Boatwright, Swartz, Griz, Stanfield.

Largely, through the untiring efforts of Coach S. W. Rice, track is again becoming a major sport at Milligan. With possible entries in relays in Florida, Alabama, Pennsylvania and the Annual Milligan Relays track supporters should be optimistic.

With the records of the 1947 track team already on the books the 1948 squad is busying itself with the task of developing a greater track team than ever before.

The major contribution of Milligan's 1947 track team was to start this sport on a larger scale and develop a keen interest among future track candidates.

The first Annual Milligan Relays were held last Spring and won by Milligan. This annual event is open to all colleges in East Tennessee, Southwest Virginia, and Western Carolina, and to all high schools in this area.

TENNIS

Ripley, Mgr., McCurry, Stanfield, Robinette, Archer, Walker, Reynolds, Mgr.

Led by captain Francis Brumit the tennis team made a perfect "love" season out of the 1947 schedule. In winning thirteen games and tying one they became the first tennis team in Milligan history to go through a full season undefeated. Under the watchful eyes of Dr. Thompson, the following men made possible this outstanding record: Francis Brumit, Bob Showalter, Bob Rice, Roland McCurry, Johnny Walker, Edwin Archer, Joe Hagan, and Manager George Reynolds.

Returning for the 1948 season are Roland McCurry, Johnny Walker, and Edwin Archer around which another strong squad should be built with the help of newcomers on the campus.

The scores for last season were as follows:

Milligan	7	Mars Hill	0
Milligan	6	Carson-Newman	1
Milligan	7	Tenn.-Wesleyan	0
Milligan	5	Mars Hill	2
